The article “The Fires Were Lit Inside Them: The Pyropolitics of Water Protector Camps at Standing Rock” by Elizabeth Hoover, published in the Spring/Summer issue of Volume 12 of RIAS is regrettably missing a citation. Much of the history of the NoDAPL movement on pages 18–19 was drawn from a presentation compiled by Jennifer Weston, a Standing Rock Sioux Tribal member, educator, and language advocate who has been working tirelessly to inform the public about the Standing Rock Dakota Access Pipeline Opposition movement.
