ABOUT RIAS

Review of International American Studies (RIAS) is the double-blind peer-reviewed, electronic/print-on-demand journal of the International American Studies Association, a worldwide, independent, non-governmental association of American Studies. RIAS serves as agora for the global network of international scholars, teachers, and students of America as a hemispheric and global phenomenon. RIAS is published twice a year: Fall-Winter and Spring-Summer by IASA. RIAS is available in the Open Access Gold formula and is financed from the Association's annual dues as specified in the 'Membership' section of the Association's website. All topical manuscripts should be directed to the RIAS Editors. General correspondence and matters concerning the functioning of RIAS should be addressed to RIAS Editor-in-Chief.
